1. In route footnote, we can accept substitution of sentence beginning "additional points may be served" by language proposed by Santini although we would prefer "in the same manner" instead of "as above" for clarity only. Sentence would read: "The airline or airlines of the US (or of Italy) may serve additional points in the same manner but before such services commence the two Parties will conclude appropriate consultations."

2. We cannot repeat cannot accept deletion of sentence is outlining purpose of consultations/to determine whether imbalance being created and what compensation might be required. Minor language changes could be acceptable, and specifically we accept Santini suggestion that "solely to determine" can be replaced by "to agree," but we would
